I want to personally thank everyone who braved the cold to help us help some less fortunate children in our area during Christmas.

No race can be done without you. No race can be put together without good volunteers. Thanks to all, especially Rod Miller, Pat Velas, Bill Hunkler, Brenda Miller, Molly (Peg) Harris, and Jean Strawn.

No race can be done without logistical support. Special thanks to the Barnesville School System, the Police, Fire, and Water Departments.

No race can happen without sponsors. Many thanks to our Title Sponsor, Corner Fitness who provided us with working capital, a warm place to congregate, and volunteered their time. For more info about the area's first 24-hour fitness center, check out their website: [www.CornerFitness.net](http://www.CornerFitness.net)

Additional thanks to our other Sponsors Tango & Gatti Roofing [www.TangoAngGatti.com](http://www.TangoAngGatti.com) for their generosity and to Stumptown Lumber for donating the wood.

The biggest thanks goes out to my wife for supporting me every step of the way, doing anything and everything to make these events successful.
