Director's Note: I want to thank everybody for attending this year's event. These are the official, corrected results. I deeply regret the awards/timing foul-up on race day. I am deeply ashamed of the error and take full responsibility for it. I promise to fix the problem next year.

Please take a minute to download the survey. I am constantly looking for ways to improve this event. Your input, feedback, and criticisms are necessary for me to successfully do this.

Just a reminder, due to the overwhelming participation level this year, I will be adding age groups to the Walk Division next year.

If you have not received your trophy or have received the wrong one, please let me know and I will personally see to it that the mistake is fixed. For those who didn't receive their shirts, they have been ordered and will be sent to you ASAP.

Be on the lookout for applications to the 2nd Annual Santa's Spirit Sprint 1 Mile Run/Walk held in December to benefit needy children in and around town.
