I want to thank all of our Sponsors , Volunteers, and Race Participants for their help during 2021. Counting the Kids' Races, we had well over 1,000 finishers. We also had 82 participants who finished at least 3 of the 4 events and 45 who completed all four! Please double check the spelling of your name and let me know if any corrections need to be made. If you do not see your name on this list but you did, in fact, complete all four events, please let me know ASAP. Thank you!
