

Barnesville Grand Prix Series

Attached is the list of people who have COMPLETED (not just registered for) the 2023 Barnesville Grand Prix Series. Please check the spelling of your names as plates will go into production shortly. If you do not see your name on this list but have somehow have been inadvertently been overlooked, please contact me ASAP. Awards will be handed out at the Rotary Lake Trail 5k on March 30. If you cannot make it, no worries. I will have them at all of the other events or can arrange to get it to you.

I want to personally thank every single person has participated in one of my events. It was another record year for racing in Barnesville. While we "only" had 1,235 TOTAL, we had a RECORD NUMBER of people who completed the Grand Prix: 69. The previous record was 48. We also had a record number of people complete 3 out of the 4 events: 119.

I need to thank everyone who was involved with making these races happen, especially my Race Committee. Without these people, these races would not be possible.

I also want to thank all of the volunteers, of which there are too many to list here. Your efforts are so greatly appreciated. Many thanks to the people who made donations to the races and the charities that we support. A big thanks to the races' many sponsors, of which these events cannot function. Special thanks to the Grand Prix Sponsors:
